

*Family owned and operated since 1976*

## **BEAUCARNEA RECURVATA** *Ponytail*

- Slow growing evergreen tree
- Reaches 9m high
- It's palm like trunk has a massive base
- The trunk tapers upwards and branches out with strappy long green leaves
- Is great as an indoor plant
- Grows well in most parts of Australia
- Protect from frost
- Require full sun
- Plenty of water
- Fertile soil

Sold in seedcount
